

We would like to introduce GrowURWay.com which is a Social Network built around Gardening, Lawn care, and Landscaping.

Getting Started:

- 1) **Create an Account** / [Register](#) on www.GrowURWay.com

Tip: Add www.GrowURWay.com to your Internet Favorites

- 2) **Add your profile photo** and **"About Me"** information.

Tip: To post a picture of yourself and add your "About Me" information on your profile. You can do this by clicking on My Profile > Edit My Profile. Then click on the "Getting Started" tab and you can click on the links to "Add your Photo" and "Edit Your Profile"

- 3) **Tell Your Friends** that you have joined Grow UR Way and invite them to join also. You can do this easily by clicking on My Home > Invite Friends. You can enter in your friends email addresses, or you can quickly import your friends email addresses from your yahoo, gmail, outlook, outlook express, etc. email accounts.

- 4) **Be Interactive** and post **unlimited** media uploads!

Add Photos by going to the Photos page and clicking on the "Add a photo" on the right hand side of the page

Make Friends by clicking the "Add to Friends" link on any members profile and take the first step on becoming friends. You will become "A Fan" until they accept your friend request

- Add Comments / messages to the Wall on their profile
- Email them with the internal messaging system

Post in the forums. Do you have a great tip you want to share, or have a question...post it in the forum by clicking on the Forum page and clicking on the subtopic you want to add a post to. Then click "Add New Topic".

Add Videos by going to the Videos page and uploading videos from your computer by clicking on "Add a video"

Add Audio by clicking on "Add an Audio Track" on the audio page

Create Blog Posts which can include video or audio by going to the Blog page and clicking on "Add a blog post"

Add **Comments & Rate** your favorite pictures, videos, recent blog posts, etc.

Email your friends about new photos, videos, audio you think they should see that is posted in our Community.

With **One Click** post almost anything that is on the Community site to your **MySpace, Facebook**, and other Social Networks easily by clicking on the "Post on another network or blog" link next to the media you like

And **much more!**

Note: There are a couple different ways you can add media / information on the Community Site. Another way is by clicking on "My Home". Here you will see a box that says "Get Active" and has links to add photos, video, send messages, add a blog post, etc.
